Some will be stronger tumblers than others. Some will contribute more with stunts than others. We chose our team based on the positions that we need to fill (Bases, flyers, tumblers, etc.) Every athlete is on the team for a reason - Please trust the staff. Our decisions are made on what is best for the ENTIRE program as well as the athlete.

PROGRAM POLICIES

1. If you have a question or concern about your team or child please contact Coach Mike via email. If it is necessary he will make an appointment to speak with you directly. Coaches cannot stop practices to meet with parent. This is unfair to team.
2. Do not call or text the staff on their personal phones unless it is an emergency! The staff needs to have their personal time away from work. Again, if you need to speak with them, please email them to set up a meeting time or give the front desk a message to give to them. Thank you in advance for respecting this rule.
3. No one is allowed to yell onto the floor, make contact through the viewing room window, or come out onto the floor! You will be asked to leave if you do so. If you need a student please see the front desk for assistance.
4. DO NOT GOSSIP or spread negative thoughts or words about the gym, a team, a coach, a parent, a child. This will not be tolerated and we will dismiss a child and their parent from our program for doing so. This is toxic to our environment and to the development of the children here. If you cannot refrain yourself from doing so, please do not come to the gym.
5. Attitude is everything. If an athlete or a parent has a foul attitude, we will place him/her to a non- competitive program, such as a class, until improvements are made. Until then, a replacement will be put in position. We reserve the right to remove immediately an athlete/parent from the program if the parent or child is aggressive, states misleading or false information, is being malicious, deceiving, underhanded, threatening, defaming, etc. This type of behavior is not tolerated and is toxic to a learning environment for children. No refunds are given to anyone who is dismissed from the program due to poor behavior or non-payment.
6. Do not post negative comments; either direct or underlying about Cheer Infinity, it's coaches, athletes, etc. We understand that most people think it is okay to use Facebook to vent, but we will not tolerate this whether it is direct or indirect, if you are a part of our program and we will dismiss the entire family. We need to help our kids understand that a public forum is not the place for this. Once you put it out there, you can't take it back.
7. **You cannot create or sell your own CIA clothing or CIA items. Our name and LOGO is copyrighted. All ideas for apparel must be emailed and approved by Management.**
8. If an injury should occur, it is the responsibility of the parent to seek professional help. Each athlete must have his/her own medical insurance. After seeing a

physician, please provide Cheer Infinity Allstars with an evaluation of the athletes injury/status. A release from a doctor is required if a serious injury should occur.

9. All athletes are placed on a team at the discretion of the coaches. Age, experience & ability all factor into placement. Please understand that athletes may be repositioned, moved or replaced at any time at the discretion of the coaches. Any changes are made to benefit the team as a whole.
 - If parents and students are not patient and have a clear understanding of our teaching methods, they should not be cheering at Cheer Infinity Allstars.
 - It is the coach's discretion if a skill is perfected and competition ready.
 - Athletes selected as flyers must maintain flexibility and skill requirements. If a flyer cannot handle this position they will have to learn an alternate position or moved to another team.
 - The coaches reserve the right to request that an athlete take an additional class or private depending on what they may need extra help with.
10. Please keep Uniform in good condition. Please report any lost damaged uniform items to your coach. The cost of replacement will be the responsibility of the cheerleader.
11. **Absences:** Attendance is crucial to team success. If an Absence is going to be made the FRONT DESK MUST be informed and your head coach will need to clear the absence. Just telling the coach may cause confusion, as they cannot keep in memory everyone's affairs. The front desk documents all absences and reasons. You will be allowed 1 personal miss, 1 non-noted excused absences, and 2 excused absences for the season... Any absences after that will result in dismissal. **No refund will be issued. No practice can be missed two weeks prior to competition. This will result in replacement and may result in dismissal. Everyone is required to attend competition. Failure to do so will result in dismissal from the program.**

Excused Absences: *Contagious Illness *School function affecting grade
*Death in the family

Unexcused Absences: *School dance *Traffic *Too much homework
*Feeling tired *Don't have a ride etc.

12. **Vacations:** Vacations are not permitted during competition season, unless the gym is closed and the athlete has already cleared it with their coaches. These will be considered unexcused absences. Also, If possible, schedule your vacations during our closing dates. Summer practices are very important to the improvement of skill and are required. Please make every effort to be at all practices. **Choreography Camp is mandatory.**
13. Anyone threatening to quit or pull his or her child from the program will be dismissed immediately.
14. **Discipline:** If any of the above rules are compromised, the following actions may occur: Warning: A meeting with the athlete defining the problem and/or a meeting with the athlete & the parent(s). Dismissal (Warned or Immediate) The athlete may be removed from the team or entire program and No refunds will be given.

*Some infractions or violations of these rules we will serve a warning depending on the degree of the rule and the violation. We try our best to create a positive learning environment for everyone. We will be as gracious as we can be while trying to be fair to everyone, but some things we simply will not tolerate, including but not limited to negative, aggressive, malicious behavior. There will be 0 tolerance.

- Prep teams will attend 4 competitions during the season
- Prep teams will practice once a week and all practices are mandatory.
- Prep teams will not be required to purchase gym practice wear or Warmup and will use a less expensive uniform for competition.

If you have any questions please email Mike@cheerinfinityallstars.com
